# WRAP GLOVE REVOLUTION

## **THE GLOVE THAT HAS REVOLUTIONIZED THE WORLD OF WRAPPING!**

Wrap Glove Revolution by Oxy Tools are made with a technical yarn, innovative and specific for the application of adhesive films.

Incredible wearability, maximum sensitivity, perfect for speeding up applications and improving their finishes.

Capable of reducing the friction on the film up to 4 times by increasing the abrasion resistance up to 3 times, hence its duration.

The glove that creates the wet effect!

The feeling is just to have wet, glove and film, with water and soap!

Try, compare, evaluate!
